

RESPONSE

The Examiner required restriction to one of the following inventions under 35 U.S.C. 121:

- I. Figures 1-3; or
- II. Figure 4; or
- III. Figure 5.

The Applicant provisionally elects the claims of Group I, Figures 1-3. Based on the Examiner's description of the alleged species, the Applicant believes claims 1-5, 6-11, 12-17 and 27-32 read on the species of Group I.

If it is felt for any reason that direct communication with the Applicant's attorney would serve to advance prosecution of this case to finality, the Examiner is invited to call the undersigned Peter P. Scott at the telephone number below.

**AUTHORIZATION TO PAY AND PETITION
FOR THE ACCEPTANCE OF ANY NECESSARY FEES**

If any charges or fees must be paid in connection with this communication (including but not limited to the payment of an extension fee or issue fees), or if any overpayment is to be refunded in connection with the present application, any such charges or fee, or any such overpayment may be respectively paid out of, or into, the Deposit Account No. 12-2252 of LSI Logic Corporation. If any such payment also requires a Petition or Extension Request, please construe this authorization as the required Petition or Request.

Respectfully submitted,

James Pate
